

How to sign in and join in the meeting with web browsers

Introduction

Let's suppose your email address registered for the 21st ISTW is: yourname@yourdomain.yoursite. And we will show how to sign in and join in the meeting with a web browser (Chrome or Edge). Let's join in the ISTW Day 1 Main Session for example. Please follow the steps in section A.

If you have a Teams account: yourname@yourdomain.yoursite, go to section B after section A.

If you do not have a Teams account: yourname@yourdomain.yoursite, go to section C after section A.

If you have problem signing in with yourname@yourdomain.yoursite, go to section D

Section A

1. Open the official website of ISTW agenda

ISTW 2022
The 21st International Spherical Torus Workshop

Navigation: [Announcement](#) | Agenda, program and posters/presentations

After discussions on the [book of abstracts](#), the agenda of ISTW 2022 has been released below ([pdf version](#)). Participants please contact LOC or IPC if you have problems with the agenda.

All oral talks will be presented in a specified virtual meeting room. Participants with oral talks are suggested to upload a pre-recorded video to <https://istw2022.sunist.org>.

Each posters will have a separated virtual meeting room allowing participants to freely join. Participants with posters are **required** to upload the presentation files ([upload page](#)) and are **strongly** suggested to upload a pre-recorded video to <https://istw2022.sunist.org> at least one day before the poster session. LOC will add video links to the agenda below. Then, people can ask questions directly in the separated rooms.

Speakers are welcome to add the logo of this meeting into presentations. The original graphics of the logo can be found in the [ISTW2022-logo.pptx](#). Speakers can freely change the colors of it to adapt the color theme of presentations.

Monday, Oct. 31
